Soccer Training Academy & Results System

S.T.A.R.S is a "club-neutral" soccer specific development results system focused on providing youth players high-quality supplemental soccer training and athletic development.

Created by Russell Lewis UEFA "B" the results system is a 10 level training program that provides motivation to progress and achieve.

SoccerStarters

Curriculum provides a fun and safe development program for pre-school age children. Courses are professionally designed to develop basic ball skills and promote fitness and self confidence. This program is a great starting point for your future stars, with 1 player, 1 ball philosophy in an adventure-themed session.
